Education

Associate Degree in AI & ML

ITS Academy Angelo Rizzoli

2022-2024

Score: 100/100

Expertise

- Data Science
- AI Engineering (LLMs)
- Machine Learning & Deep Learning
- Web Development
- Programming
- Linux & Electronics

ALESSANDRO KUZ

DATA SCIENTIST & AI/ML

About Me

A curious and driven **Data Scientist** with **3+ years** of experience. Proficient in **AI & Machine Learning**, Data Analysis and **Backend Development**. Passionate about leveraging AI and ML to solve real-world problems and contribute to the advancement of humanity.

Experience

- Sep 2025 - Present @ Milan, Italy
Freelance Data Scientist & Developer
 - Wide range of applications combining **Machine Learning**, **Data Science**, and **Fullstack Web Development**.
- Feb 2024 - Sep 2025 @ Milan, Italy
Centro Diagnostico Italiano - CDI
Data Scientist & Biostatistician
 - **ML Classification projects**: Genetic Variant pathogenicity classification and Tumor Stage inference.
 - Streamlined data collection and handling processes using through a **Django Web App** and a **SQL Database**.
 - Hands-on **Linux**, Azure Cloud and Statistics experience.
- 2022 - 2024 @ Milan, Italy
ITS Academy Angelo Rizzoli - ITSAR
ML & AI Student - Higher Technical Institute
 - **1160 hours** of **Machine Learning**, Deep Learning, Programming, Data science, **840 hours** of internship.
 - Hands-on Experience with **Sklearn**, **XGBoost**, Tensorflow **Keras**, Optuna, Pandas and Numpy.
 - **Computer Vision**, **Classification** and **Regression** Projects and simple model deployments.
