Education

Associate Degree in Machine Learning & AI
ITS Academy Angelo Rizzoli

2022– 2024 | Score: 100/100

Expertise

- Machine Learning & Deep Learning
- Data Science
- Data Analysis
- Data Visualization
- Programming
- Linux & Electronics

Languages

Italian* **English***
Russian* **Ukrainian***
Spanish (B2) German (B1)

About Me

A curious and driven Data Scientist with 3+ years of experience. Proficient in Machine Learning, Data Analysis and Backend Develpment. Passionate about leveraging AI and ML to solve real-world problems and contribute to the advancement of humanity.

Experience

Sep 2025 - Present @ Milan, Italy

Freelance Data Scientist & Developer

- Wide range of applications combining machine learning, data science, and fullstack development.

Feb 2024 - Sep 2025 @ Milan, Italy
Centro Diagnostico Italiano - CDI

Data Scientist & Biostatistician

- **ML Classification projects**: Genetic Variant pathogenicity classification and Tumor Stage inference.
- Streamlined data collection and handling processes using through a **Django Web App** and a **SQL Database**.
- Hands-on **Linux**, Azure Cloud and Statistics experience.

2022 - 2024 @ Milan, Italy
ITS Academy Angelo Rizzoli - ITSAR

ML & AI Student - Higher Technical Institute

- 1160 hours of **Machine Learning**, Deep Learning, Programming, Data science and theory and practice, 840 hours of internship.
- Hands-on Experience with **Sklearn**, **XGBoost**, Tensorflow **Keras**, Optuna, Pandas and Numpy.
- **Computer Vision**, **Classification** and **Regression** Projects and simple model deployments.
